

Dear community leader

You are invited to attend a special online webinar focussed on Australia's Skilled Migration Program on Wednesday 27 October 2021.

Okke Velzeboer, the Business, Industry and Regional Outreach officer for the Department here in SA will be covering employer sponsored visa options, visa options for regional Australia, visa provisions during COVID-19, travel restrictions and exemptions. Annette Davies and Juna Karki from Skilled + Business Migration from the SA Department of Innovation and Skills will then cover state sponsored visa options, skills recognition and possible pathways to employment.

Please be mindful that questions related to individual circumstances/ visa applications cannot be addressed during this forum. The forum will not be a policy discussion but an information session on Australia's skilled migration program.

If you have any general questions about the skilled program to raise at this forum, please provide to sa.community.engagement@homeaffairs.gov.au by 5.00pm Thursday 21 October.
